				<hr/> \$215.00

Ties are broken utilizing the method as recommended by the USGA as described below.

Modified USGA (18, 9, 6, 3, 1): Available only for multi-round tournaments, this method uses the last 18-hole round as the first tie-breaker. If the tie remains, use the last 9, 6, 3, and 1 hole(s) of the last 18-hole round.
