

## ***WMGA Withdrawal Policy***

The board has unanimously agreed to put forth the following policy for a cancellation after tee-times have been posted. Tee times are posted on Mondays prior to Sundays event, after 12:00 noon. If you have signed up for a tee time and made the Thursday cut-off you will have until the following Monday to cancel for any reason. Each week there is a expectation that each WMGA member will show up and fulfill their commitment to play. When a player cancels there are many factors to consider starting off with the group in your own foursome, the entire field in the tournament, the tee-time selection committee, and the folks at WHGC.

Last year many cancellations were last minute and NOT weather induced but just lack of respect for all those involved. We are valued members of the Wintonbury Hills Golf Course, but the tee times we are allotted each week are "prime tee times" for the course.

Effective Immediately.

- Withdrawals before the tee times are posted (Monday) prior to Sunday's tournament are okay
- Withdrawals after 12:01pm on Monday prior to the Sunday event (6 days)
  - 1<sup>st</sup> offense, no penalty fee
  - 2<sup>nd</sup> offense, \$25
  - 3<sup>rd</sup> offense, \$50
  - 4<sup>th</sup> offense, (Membership Committee will evaluate penalty)

Members that abuse this policy will not be able to be put on the tee sheet until all penalties are paid in full.
